

FESH SMART HOME giver dig uanede muligheder

- Del med hele familien
- Talestyring
- Tilknyt flere lokationer fx bolig, sommerhus og arbejdsplads
- Lav lysscener og tænd/sluk alt med et tryk
- Få øget sikkerhed med kameraer, sensorer og alarm
- Overvåg din bolig uanset hvor du befinder dig
- Lav "SMART-auto" fx lys tænder, når solen går ned og slukker ved daggrå

Thank you for purchasing a FESH SMART HOME product.

You can easily get started by following the 4 steps below - then follow the instructions in the FESH app.

1 DOWNLOAD THE FESH APP

Download the FESH app
from Google Play
or App Store.

Search for "FESH"
or use the QR
code here ->

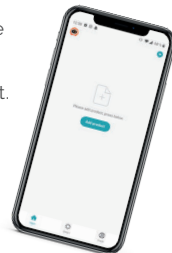

2 CREATE NEW USER

Open the FESH app and create
yourself as a "New user".

Follow the app's instructions.

3 YOU ARE CREATED AS A USER WHEN THIS COMES UP

... and you are
now ready to
add your
FESH product.

4 ADD YOUR FESH PRODUCT

Press "Add product" or "+" in the
right corner and choose your
FESH product in one of the
menu tabs.

Then follow the instructions in
the app and you are up and
running.
