

Supplier's Declaration for articles / article parts not affected by ROHS

ROHS and Restriction of Hazardous Substances, Directive (EU) No. 2011/65

According to article 4 of the EU ROHS directive states that no product shall be placed on the market if it contains substances above the level as set out in the directive. **Without this information, the articles cannot be placed on the market within the EU.**

This declaration may be used if none of the substances in question are present in any of the products We as Heatcom Corporation A/S supplies to **Solar A/S** or a company connected to the before mentioned.

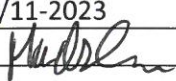

1. THE DECLARATION

We, the company noted below, declare that none of the products, articles, or parts thereof which we supply to **Solar A/S** contain substances from the EU Directive 2011/65, above the levels as set out in the directive. This is also including the packaging used for said products or articles which in itself is an article.

We also undertake to keep this data up to date and continuously monitor the supply chain and production process to ensure that the products at all times does not contain any of the hazardous substances as mentioned in the directive.

2. SUPPLIER'S SIGNATURE

The undersigned supplier guarantees that the information given in this declaration is correct. The undersigned supplier accepts that the information in this declaration can be used as documentation on conformity of EU/2011/65. The undersigned supplier takes the full responsibility for updating the declaration following changes in the data given or changes in the ROHS directive.
