H895651 Basic WC system

H894652 WC system compact

H894651 Basic WC system compact

A glimpse of traditional wall-hung WCs, this one from Lyra plus series, that being only 49 cm long will fit even in the smallest bathrooms, remains synonymous to harmonic shapes and classic lines. It requires a sufficiently strong load-bearing wall and can't be connected to a vertical outlet. Among its advantages, the spotlight goes to the easy cleaning of its surroundings. 10-year warranty provided. The seat and cover must be ordered separately.
