

Shelly Duo Bulb E27 Gen3

Smart Wi-Fi dimmable LED bulb with tunable white

EAN code: 3800238073190

Product description

The Shelly Duo Bulb E27 Gen3 is a dimmable smart LED bulb with adjustable color temperature from 2700 K (warm white) to 6500 K (daylight). It fits directly into any E27 socket and works with existing switches, with no hub or additional controller required.

Set up and controlled easily through the Shelly Smart Control app or your preferred smart home system, including Home Assistant, Google Home, Amazon Alexa and SmartThings. The bulb also acts as a Wi-Fi range extender and Bluetooth gateway, and supports direct control from Shelly BLU remote controls and buttons.
