

Shelly Plug M Gen3 White

Smart Wi-Fi plug with 13A power metering

EAN code: 3800238073602

Product description

The Shelly Plug M Gen3 (White) is a compact smart plug with a powerful 13 A relay and built-in power meter, allowing you to control and monitor even power-hungry appliances such as electric radiators, fan heaters and large kitchen appliances. The integrated temperature sensor protects against overheating, while advanced overvoltage, overcurrent and overpower protection adds extra safety to daily use.

Set up and controlled easily through the Shelly Smart Control app or your preferred smart home system. With built-in Matter support, the Shelly Plug M Gen3 integrates seamlessly with Apple Home, Google Home, Amazon Alexa, Home Assistant, SmartThings and more. Shelly devices work 100% locally and only require a local network to operate.

Technical data

Physical
